The public is invited to attend the next Fort Wingate Depot Activity Restoration Advisory Board meeting, hosted by Tooele Army Depot, on Wednesday, March 7, 2001. The meeting will begin at 7 p.m. and will be held at the conference room at the Pueblo of Zuni Tribal Offices at 1203B State Highway 53 in Zuni, N.M.

The meeting agenda includes presentations on the risk assessment process, natural and cultural resources on Army ranges, and unexploded ordnance recognition and safety.

The Restoration Advisory Board was established for Fort Wingate to act as a forum for the review of environmental restoration actions associated with Base Realignment and Closure activities.
